AUTHORS CARNIVAL -:- WASHINGTON SOCIETY-:-BLAZE OF ROMANCE Mrs. Harding

Pen Women and Guests Honor Guest Frolic and Dance Till Late Hour.

Carried into Romance-land in a dazzling glitter of light and color, the Pen Women and their guests last night frolicked as characters of song and story in the ball room of the New Willard, dancing until 2 o'clock this morning to the strains of the Meyer Davis orchestra at the Author's Carnival Costume Ball. Author's Carnival Costume Ball ..

Antoinette, Pierrot and Pierrette, Abelard and Heloise, Paul and Vir-ginia, lords and ladies, dames and cavallers, clowns and sheperdnesses,

Well-known artists, writers and musiclans mingled with members of Congress and the Diplomatic Corps and their wives, army and navy offi-ters, and men and women prominent

social and political life.

The ball opened at 10, o'clock with the grand march, following which Mrs. E. F. Andrews, Mrs. Rose Gouveneur Hoes and John Temple Graves acted as judges of costumes.

Miss Anne Gordon was chairman
of the young ladies' committee, and Theodore Roosevelt, jr., Assistant Secretary of the Navy, chairman of the men's floor committee.

These Were Patrons.

fon gown and a large gray straw hat faced with old-blue straw.

"ODE TO MRS. HARDING."

MRS. HARDING."

The clubhouse was decorated upstairs and down with palms in great abundance. The Marine Band played throughout the afternoon on the first floor. On their program was the "Ode to Mrs. Harding." written recently by Mrs. George Hope, which has been arranged to music suitable for a band. It was played upon Mrs. Harding's arrival at the club, and it is planned to have it played on all special occasions when Mrs. Harding is present, as "Hail to the Chief." is played generally when the President appears at functions. In the ballroom palms and daisles The President appears at functions. In the ballroom palms and daisies were banked against the walls and on the mantels, while palms and ferns filled all the nooks and cor-

ferns filled all the nooks and corners. The flags of the States formed a colorful frieze around the celling. A bower of American Beauty roses formed a background for the receiving party. The tea table was beautiful, with a centerpiece of a sunken fountain surrounded by pink roses, pink sweetpeas and daisies, while pink roses were scattered all over the table. The mantel in the dining-room was massed with pink roses and ferns.

Prominent among the guests was frs. Harding's social secretary. Mrs. Harding's social secretary.
Miss Laura Harlan, who wore a
brown satin gown thimmed with
brown chiffon and a large brown
straw hat. Mrs. Renry Wallace,
wife of the Secretary of Agriculture, was there; also Mrs. Robert
Lansing, wife of the former Secbrown chiffon and a large brown straw hat. Mrs. Henry Wallace, wife of the Secretary of Agriculture, was there; also Mrs. Robert Lansing, wife of the former Secretary of State. All of the members of the club were there, it being safe to say that not an invitation was refused. In the distinguished company were Mrs. Hampson Gary, wife of the United States Minister to Switzerland; Mme. Ag-

MME. CELESIA.

Wife of Andrea Geisser Celesia di Vegliasco, third secretary of the Italian Embassy, who is a very active member of society and a very popular one.

SAYS ACCIDENTS DIRECT RESULT OF **HUMAN VARIANCE**

Believes Teaching Will Avert Tragedies.

Accidents caused by human care-issuess can be averted in the fu-ture if experiments now being con-ducted by Prof. Raymond Dodge, di-rector of the psychological labora-tory in Wesleyan University at Mid-dictown, Conn., result as he thanks

possible.
The insignificant, yet irritating variations from everyday habits. ness or stupidity, are really due to changes in our state of conscious-ness, according to Prof. Dodge. The locomotive engineer who

The locomotive engineer who runs past his danger signal, the man whose thoughts go woolgathering for an instant as he crosses the street in the midst of speeding traffic, can be helped by better knowledge of the laws which receive a resimility of human con-

better knowledge of the laws which govern variability of human conduct.

"No two moments of conscious life are identical," said Prof. Dodge today. "No one can do the same thing twice in exactly the same way. The need of studying the conditions of variation are both scientific and practical. A large part of life's tragedies could be averted or provided for if we could predict under what circumstance the insignificant variations would reach a prious magnitude."

the insignificant variations would reach a serious magnitude."
In the history of psychology variability was first recorded as a kind of error to be computed and allowed for in estimating the real facts of mental life. Scientists are beginning to realize that invariability is an illusion, while continual change is a fundamental reality.

During the war Prof. Dodge, who was connected with the laboratories of the Carnegie Institution, made of the Carnegie Institution, made several psychological discoveries of great practical value to the per-sonnel of the United States fight-
